We value all of our customers and Greatly Appreciate your support in helping us with this process. Although we cannot have Customer Appreciation Day this year—

PRODUCT

Let us RE-INTRODUCE you to a name in lubricants you have used in all your equipment for over 60 years!

Viscosity Oil is the name on the back of every container of lube you have on your shelf. It is a name we have **Trusted** in the 38 years we have been in business as well. Viscosity oil 1st powered your International Harvester tractors and combines all the way up through current models. Viscosity is a name you can trust and has fulfilled the lubricant needs of **Case IH Worldwide** with top notch technological support and still does. We believe that Viscoisty is still and always was the best oil for our customers. Their testing, pricing, and commitment to doing things right is a win-win for all of us.

1. Pricing has improved as now reflected in the prices for Saleabration. Old inventory is at the same price as last year.

2. Viscosity is still providing factory fill through at least 2021 for Case IH. **We believe that Viscosity Oil is still the absolute best product for your equipment!**

3. In addition, lubricant pricing has all new part numbers as do some of our other parts.

**We DEFINITELY DO
Appreciate All of you!
THANK YOU FOR
YOUR BUSINESS!**

IN ORDER TO PROTECT ALL OUR EMPLOYEES - IF YOU ARE ILL - FEVER AND/OR COUGHING - WE RESPECTFULLY ASK THAT YOU MAKE OTHER ARRANGEMENTS INSTEAD OF COMING INTO STORE

Product prices in this flyer already reflect significant discounts. They may **NOT** be combined with any other sale, promotion, discount code, coupon or rebate offer. We strive to offer our customers the very best price possible, and for that reason, credit cards **CANNOT** be used to purchase these parts. **CASH SALES ONLY. ALL PRICING IN FLYER IS LIMITED TO ON-HAND QUANTITIES ONLY. NO PARTS RETURNS WILL BE PROCESSED DURING SALEABRATION TRANSACTIONS.**
